RESPONSIBILITY STATEMENT

The Managing Directors of the Company wish to state:

- 1. That the financial statements give a true and fair view of the assets, liabilities, financial position and profit or loss of EDP Finance B.V.;
- 2. That the interim report gives a true and fair view of the position as per the balance sheet date and the development during the financial period of EDP Finance B.V. in the semi-annual financial statements, together with a description of principal risks it faces.

Amsterdam, 3 September 2020

The Managing Directors:

EDP – Energias de Portugal S.A.

Arendsen, R.

van der Werff, M. F. C.

REPORT OF THE MANAGEMENT BOARD

The Managing Directors of EDP Finance B.V. (hereinafter "the Company") submit the interim report and the condensed financial statements of the Company for the period ended 30 June 2020.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

General

The Company was incorporated under the laws of The Netherlands on 1st October 1999.

Activities

The principal activity of the Company is to act as a finance company to EDP Group. The policy of the group is to centralize financing in EDP – Energias de Portugal S.A. (hereinafter "EDP S.A.") and the Company.

Results

During the six-month period under review, ending on 30 June 2020, the Company recorded a loss of 26,843 thousand Euros (six-month period ending 30 June 2019 – loss 29,507 thousand Euros). The increase in results YoY is essentially due to the YoY decrease on the interest expense (resulting mostly from long-term bonds that matured in the second half of 2019 and were replaced by other liabilities with lower interest rates as per improved market conditions) that was greater than the YoY decrease on the interest income. On the other hand, adverse market conditions during the first four months of 2020 impacted negatively the fair value of some EUR/USD CCIRS, and consequently the net other financial income and expense results.

Debt maturing in 2021 bears higher coupon rate than assets maturing and current market funding conditions, which should continue to improve the net interest margin.

Relevant events in the first half year of 2020

In January 2020, EDP Finance B.V. repaid a USD 750 million bond issued in November 2014 that carried a coupon of 4.125%.

In June 2020, EDP Finance B.V repaid a EUR 300 million bond issued in June 2005 that carried a coupon of 4.125%.

In June 2020, EDP Finance B.V. issued USD 225 million commercial paper out of a 5-year Programe.

REPORT OF THE MANAGEMENT BOARD

FUTURE DEVELOPMENTS

Given the strong equity position of the Company, as well as the cash flow expected to be generated by the Group and the available liquidity, the Company expects to

continue its normal course of business during the second half of the year, as in the

previous years.

KEEP WELL AGREEMENT

During the period under review, there were no changes to the keep-well agreement

between EDP S.A. and the Company, signed on 14 March 2001.

AUDIT COMMITTEE

The Company makes use of the exemption to establish its own Audit Committee, based

on Article 3a of the Royal Decree of 26 July 2008 implementing article 41 of the EU

Directive 2006/43/EG. The Audit Committee of the parent company, EDP S.A., will act

as Audit Committee for the Company. This Committee is composed as follows:

Luis Amado: President

João Carvalho das Neves: Vice-President

Clementina Barroso: Member

María del Carmen Rozado: Member

Maria Celeste Ferreira Lopes Cardona: Member

^{*} On 1 January 2020, EDP Finance changed its accounting policy for recognizing balances related to the Group's financial system, starting to recognize the balances of assets in cash and cash equivalents. Prior to this change, the company recognized these balances in Loans to and receivables from group entities.

INTERIM FINANCIAL STATMENTS

1. GENERAL

The principle activity of the Company is to act as a finance company.

2. ACCOUNTING POLICIES

The financial information presented in this Interim Report was prepared under the same accounting principles as in the 2019 Annual Report, except for the following accounting policy.

On 1 January 2020, EDP Finance BV changed its accounting policy for recognizing balances related to EDP Group's financial system (current accounts), by recognizing the outstanding balances of assets as Cash and cash equivalents, which were previously classified as Loans to group entities in its statement of financial position. This change reflects the same change done by EDP Group on its accounting policy.

The change of this accounting policy implied a restatement of comparative information.

3. ISSUED SHARE CAPITAL

The authorised share capital of the Company consists of 80,000 shares of 100 Euros each, of which 20,000 shares have been issued and fully paid-up.

4. UNDISTRIBUTED RESULTS

The Company allocated the loss for the year 2019, being 14,749 thousand Euros, to accumulated results.

5. ISSUED MEDIUM TERM NOTES

No Bonds were issued by the Company in the first half of 2020, under the EDP S.A. and EDP Finance B.V.'s "Programme for the Issuance of Debt Instruments" (EMTN).

6. NET FINANCIAL INCOME

During the first semester of 2020, the Company's net financial income improved though still negative. The net interest margin has improved essentially due to the decrease on the interest expense resulting mostly from long-term bonds which bore high coupons that matured in the second half of 2019 and were replaced by other liabilities with lower interest rates as per improved market conditions. On the other hand, adverse market conditions during the first four months of 2020 impacted negatively the fair value of some EUR/USD CCIRS, and consequently the net other financial income and expense results.

OTHER INFORMATION

SUBSEQUENT EVENTS

No subsequent events to be reported have occurred.

<u>AUDIT</u>

The interim report is not audited.
