Commitment to Diversity, Equity, Inclusion and Belonging at EDP

Advancing Gender Equality

At EDP we stand for gender equality in every step of the way, ensuring equal access to opportunities and working conditions, parenthood protection and flexibility measures, training, and reporting channels to overcome stereotypes and promote a safe workplace for everyone. Every year we reaffirm this commitment by reviewing our Gender Equality Plan, essential to continue building a diverse, balanced and inclusive workplace where everyone belongs.

To ensure that we are on the right track, we monitor several indicators in various dimensions. We would like to highlight some gender-related indicators which can also be found in the respective reports such as: 2022 Annual Integrated Report, Ethics Ombudsperson Report 2022, People & Organization Report 2022, ESG Report 2022 or the Plan for Gender Equality 2023/2024.
