COOKIE POLICY

This Cookie Policy forms part of the Legal Notice and Privacy Policy of www.edpr.com (hereinafter, the "**Website**").

In order to facilitate your browsing through the Website, EDP RENOVÀVEIS, S.A. (hereinafter "**EDPR**"), with address in […], and contact details of the DPO dataprotection@edpr.com informs you that it uses Cookies and other files of a similar functionality (hereinafter, the "**Cookies**").

In order to guarantee the user the necessary information for proper navigation, we hereby provide the user with the following information on what cookies are, what type of cookies are used on our website and how they can be configured or disabled.

1. WHAT IS A COOKIE?

Cookies are files sent from a web server that obtain information from users' devices, for example, about their preferences and browsing patterns.

Cookies are essential for the functioning of the Internet as they offer technical solutions that allow the user to navigate through the various web sites, they cannot harm the user's equipment/device and they may be used to help identify and resolve possible functioning errors of the Website. They may also be used for advertising or analytical purposes.

2. COOKIES USED BY EDPR

More specifically, EDPR uses its own cookies generated directly by this domain and third-party cookies generated from other websites outside EDPR, belonging to third party companies, for the specific purposes set out below. If in the future EDPR uses other cookies for the purpose of providing more and better services, the user will be informed of this.

(i)   Technical cookies

Technical cookies allow the user to navigate through the Website and the use of the different options or services that exist in it as, for example, control traffic and data communication, identify the session, access parts of restricted access, control fraud linked to the security of the service, make the application for registration or participation in an event, use security features during navigation, store content for broadcast video or sound, enable dynamic content (for example, animation of loading a text or image) or share content through social networks.

EDPR does not need your consent to install on your device the cookies that are necessary to activate the functionalities of the Website, and their use is based on the need to provide the requested services. If you disable or block all cookies in your browser, your browsing of the Website may not be optimal and some of the utilities available on the Website may not work properly.
