"EDP TWEET PITCH" competition

1. Definitions

1.1 The competition is called "EDP TWEET PITCH" and is an initiative promoted by EDP – Energias de Portugal, S.A. (EDP), through which participants can win two "General Attendee" tickets (one per winner) for the Web Summit 2021, which runs from November 1st to 4th, 2021.

1.2 The competition is live from the moment it is launched at @innovationatedp Twitter profile, until 23:59 on the 24th of October, 2021, Continental Portugal time.

2. Conditions for participating

2.1 To participate, interested parties must follow the @innovationatedp account on Twitter and, through their personal Twitter profile, must tweet, in English or Portuguese, an innovative idea that promotes a sustainable energy transition. The tweet must also mention @innovationatedp profile and contain #EDPTweetPitch hashtag in order to be eligible for participation.

2.2 Employees of any entity that is providing services to EDP, within the scope of running the Competition and/or promoting brand activations, will not be eligible to participate in the Competition.

3. Winners and prize

3.1 The winners will be the 2 participants (1 for each General Attendee ticket) who publish the ideas/tweets considered the most innovative and creative by the EDP Jury, composed of members of EDP Innovation team and EDP's Corporate Communication team;

3.2 The prize for the winners is a General Attendee ticket to the 2021 edition of the Web Summit in Lisbon, Portugal;

3.3 No participant can win more than one ticket.

3.4 The names of the two winners will be announced on the @innovationatedp Twitter profile and will also be contacted by Direct Message through that same profile, where they will be asked for the necessary data to successfully get awarded the prize.

3.5 Awarded prizes are not redeemable for cash, nor can they be exchanged for other products or services.

3.6 The Prizes to be awarded are free of any burden for the recipient.

4. Personal data

4.1 The person responsible for processing these information is EDP – Energias de Portugal, S.A., a company with registered office at Avenida 24 de Julho, n. 12, 1249-300 Lisboa; email: comunicacao@edp.pt; site: edp.com.

4.2 EDP will process the following data for each participant: Name, Email, Mobile Number, Civil Identification Number.

4.3 The data collected, within the scope of this Competition, will serve to verify and confirm compliance with the requirements for registration, participation and awarding of prizes.

4.4 Participation in this competition implies authorization by the participants for the collection and processing of the data indicated above, by EDP, for the purpose indicated in point 4.3 of this regulation.

4.5 Personal data may be published on the edp.com website and on the @innovationatedp Twitter profile, for the sole purpose of making known the winners of the Contest, and may be actively used for a period of 3 (three) years, without prejudice for EDP for keeping them beyond the period for the fulfillment of legal obligations or for the purposes of the company's historical archive, through the application, in the latter case, of appropriate technical and organizational measures.

4.6 Data subjects may, at any time and free of charge, exercise their rights of access, rectification, opposition or deletion of data, limitation and portability of their data, and for this purpose, they must send their written request to the e-mail - comunicacao@edp.pt -, or through a registered letter to the postal address - Avenida 24 de Julho, nº 12, 1249-300 Lisboa.

4.7 Within the scope of this Initiative, if you consider that EDP has violated or may have violated its rights under applicable data protection legislation, you may file a complaint with the National Data Protection Commission.

4.8 For any question related to this information, the user may also contact EDP's data protection officer (DPO), whose contact details are: e-mail address - dpo.pt@edp.com

5. General Conditions

5.1 EDP reserves the right, at any time, to terminate or change the conditions of the Contest, in order to maintain the understanding and/or proper course of action, given the number of available prizes (indicated in point 3.2 of this Regulation).

5.2 The competition in question is based on the merit and individual creativity of each Participant, not, therefore, based on the Advertising Contest, authorized by the General Secretary of the Ministry of Internal Administration (by its Portuguese abbreviation - MAI).

5.3 EDP reserves the right to definitively decide on any doubts that may arise regarding the rules applicable to this Competition.

6. Violation of the Rules of Competition

6.1 Any participant who acts in bad faith, participates in the Competition using false information, or who conditions the Competition in any way, will be automatically excluded and the attribution of their respective prizes canceled. Entries considered fraudulent will be communicated to the competent authorities, and may be subject to legal action.

6.2 Any illicit and illegal action, to obtain any competitive advantage during this Competition, will be considered as fraudulent and automatically imply the cancellation of the award, as well as the reimbursement to EDP of the respective value, as defined in this regulation, without prejudice to the application of other sanctions legally provided and the compensation that may be applicable.

7. Miscellaneous Provisions

7.1 Participation in this Competition necessarily implies the acceptance of all the conditions provided for in this Regulation.

7.2 EDP has the right to change, suspend or cancel this Competition, in the event of force majeure circumstances.

7.3 In case of unavailability of access to the website, the participant agrees to waive any claim for damages or loss arising from their participation.

7.4 Any unauthorized attempt to invade the computer or communications systems supporting the Competition, will be considered illegal and will be communicated to the competent authorities for all due effects.

7.5 In the event of a situation not provided in this Regulation, EDP will interpret it in accordance with the rules contained in this Regulation, reserving the right to make any modification in the realization of this Competition, and extend or suspend it without any prior notice, if a motive of force majeure happens.

7.6 EDP will not be responsible for any error, human or technical, that may occur during the Competition which does not result from intent or mere fault, and any liability arising therefrom.

7.7 None of the entities involved in this Competition can be held responsible for the non-compliance or defective performance of this Competition, if such non-compliance or defective performance arises from facts or circumstances that are not under the control or domain of the parties, namely disturbances in the telecommunications platforms and access to these, computer errors, power outages and/or disruptions, war, serious change in public order, serious accident on the premises or with equipment of either party,

earthquakes, explosions, fires, floods, sabotage, strikes not called by the parties and/or orders issued by any judicial or administrative authority.

7.8 Entries in the Contest must be made by the end user, so entries using computer systems or robots will not be considered.
