The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed.

The owners shown in the records of Euroclear, Clearstream, Luxembourg and the DTC of book-entry interests in Notes are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed, the Keep Well Agreement and the Agency Agreement applicable to them.

1. **Form and denomination**

The Notes are issued in registered form in denominations of US\$200,000 each (the "**Specified Denomination**") and integral multiples of US\$1,000 in excess thereof (referred to as the "principal amount" of a Note). A note certificate (each a "**Certificate**") will be issued to each Holder in respect of its registered holdings of Notes. Each Certificate will be numbered serially with an identifying number that will be recorded on the relevant Certificate and in the register, which the Issuer will procure to be kept by the Registrar.

No Notes may be issued in bearer form.

2. **Title and transfer**

- 2.1 **Title to Notes:** Title to Notes passes only by registration in the register, which the Issuer shall procure to be kept by the Registrar. References herein to the "Holders" of Notes are to the persons in whose names such Notes are so registered in the relevant register.
- 2.2 **Holder as owner:** The Holder of any Note will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.
- 2.3 **Transfer of Notes:** A Note may, upon the terms and subject to the conditions set forth in the Agency Agreement, be transferred in whole or in part only (**provided that** such part is, or is an integral multiple of, the Specified Denomination) upon the surrender of the Certificate to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar or any other Paying Agent. A new Certificate will be issued to the transferee and, in the case of a transfer of part only of a Note, a new Certificate in respect of the balance not transferred will be issued to the transferor.

For a description of certain restrictions on transfers of interests in the Notes, see the section entitled "Transfer Restrictions" of this Offering Memorandum.

- 2.4 **New Certificates:** Each new Certificate to be issued upon the transfer of a Note will, within five Relevant Banking Days of the transfer date, be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such exchange or transfer be mailed (by uninsured post at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer received by the Registrar or another Paying Agent after the Record Date in respect of any payment due in respect of the Notes shall be deemed not to be effectively received by the Registrar or such other Paying Agent until the day following the due date for such payment.

The Notes are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4 (*Negative Pledge*)) unsecured obligations of the Issuer and rank *pari passu* among themselves and (subject as aforesaid and save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer from time to time outstanding.

4. **Negative pledge**

So long as any of the Notes remain outstanding (as defined in the Trust Deed), neither the Issuer nor EDP will create or, save only by operation of law, have outstanding any mortgage, lien, pledge

or other charge (each a "**Security Interest**") other than any Permitted Security (as defined below) upon the whole or any part of its undertaking or assets, present or future (including any uncalled capital) to secure any Loan Stock of any Person or to secure any obligation of any Person under any guarantee of or indemnity or purchase of indebtedness undertaking in respect of any Loan Stock of any other Person without at the same time or prior thereto at the option of the Issuer either (i) securing the Notes or securing EDP's obligation under the Keep Well Agreement in each case equally and rateably with such Loan Stock, guarantee, indemnity or purchase of indebtedness undertaking to the satisfaction of the Trustee or (ii) providing such other security for or other arrangement in respect of the Notes or EDP's obligations under the Keep Well Agreement as the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Holders or which shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Holders.

- (iii) any Security Interest securing any indebtedness incurred in relation to any asset for the purpose of financing the whole or any part of the acquisition, creation, construction, improvement or development of such asset where the financial institutions to whom such indebtedness is owed have recourse solely to the applicable project borrower (where such project borrower is formed solely or principally for the purpose of the relevant project) and/or such asset (or any derivative asset thereof) and/ or the shares held in such project borrower.

The first payment (for the period from and including the Issue Date to but excluding 11 April 2023) and amounting to US\$31.50 per US\$1,000 in principal amount of Notes shall be made on 11 April 2023.

The amount of interest payable in respect of each Note for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the Day Count Fraction and rounding the resultant figure to the nearest US\$0.01 with US\$0.005 being rounded upwards.

"**Calculation Amount**" means US\$1,000 in principal amount of the Notes.

Each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

- 6.3 ***Payment Day:*** If the date for payment of any amount in respect of any Note is not a Payment Day, the Holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day which (subject to Condition 9 (*Prescription*)) is a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and New York City.

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 8 (*Taxation*)) or any political subdivision of, or any authority in, or of, the relevant Tax Jurisdiction having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 4 October 2022; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisors of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and the Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out above in which event they shall be conclusive and binding on the Holders.

Notes redeemed pursuant to this Condition 7.2 (*Redemption for tax reasons*) will be redeemed at their principal amount (the "**Early Redemption Amount**") together with interest accrued to but excluding the date of redemption.

 - one maturing as close as possible to, but earlier than, the stated maturity of the Notes being redeemed and
 - the other maturing as close as possible to, but later than, the stated maturity of the Notes being redeemed, in each case as published in the most recent H.15, or
- if the weekly average yield to maturity for United States Treasury securities maturing on the stated maturity of the Notes being redeemed is reported in the most recent H.15, this weekly average yield to maturity as published in such H.15.

In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). A list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 (*Notices*) not less than 15 days prior to the date fixed for redemption.

provided that, in the case of any Event of Default other than those described in paragraphs (i), (vi) and (vii) above, the Trustee shall have certified to the Issuer that, in its opinion, such Event of Default is materially prejudicial to the interests of the Holders.

In these Terms and Conditions:

"Group" means EDP and its Subsidiaries;

"Indebtedness" means, with respect to any person, any indebtedness or obligation (whether present or future, actual or contingent) created, issued, guaranteed, incurred or assumed by such person for money borrowed or raised;

"Material Subsidiary" means a Subsidiary:

- (a) whose operations include the generation and/or distribution of electricity in Portugal; and
- (b)
 - (i) at any time whose total assets (excluding any Thermal Assets), as calculated from the then latest annual financial statements, audited if prepared, of that Subsidiary (consolidated in the case of a Subsidiary which itself has subsidiaries) represent not less than 5 per cent. of the total assets of the Group (as shown in the latest audited consolidated accounts of the Group); or
 - (ii) at any time whose revenues (excluding any revenues derived from Thermal Assets), as calculated from the then latest annual financial statements, audited if prepared, of that Subsidiary (consolidated in the case of a Subsidiary which itself has subsidiaries) represent not less than 5 per cent. of the consolidated revenues of the Group (as shown in the latest audited consolidated accounts of the Group).

A report by the directors of EDP that in their opinion, a Subsidiary is or is not, was or was not at any particular time a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties. Such report may, if requested, be accompanied by a report from the Auditors (as defined in the Trust Deed) addressed to the directors of EDP as to the proper extraction of figures used by the directors of EDP in determining a Material Subsidiary and as to the mathematical accuracy of the calculations; and

"Subsidiary" means an entity from time to time of which EDP (a) has the right to appoint the majority of the members of the board of directors or similar board or (b) owns directly or indirectly more than 50 per cent. of the share capital or similar right of ownership.

Any such determination made by EDP in relation to what is a Thermal Asset shall, in the absence of manifest error, be conclusive and binding on all parties.

In addition, for the purposes of this Condition 10, where the relevant annual or audited financial statements of an entity include Thermal Assets, notwithstanding any reference to "as shown in" or "calculated from" such accounts, EDP shall adjust the numbers appearing in such accounts to reflect the financial position of the relevant entity excluding Thermal Assets or revenues derived

from Thermal Assets. Such adjustment shall, in the absence of manifest error, be conclusive and binding on all parties.

11. **Enforcement**

The Trustee may, at its discretion and without further notice, take such proceedings against the Issuer as it may think fit to enforce the obligations of the Issuer under the Trust Deed and the Notes or the obligations of EDP under the Keep Well Agreement, but it shall not be bound to take any such proceedings or any other action unless (a) it shall have been so directed by an Extraordinary Resolution of the Holders or so requested in writing by the Holders of at least one-quarter in nominal amount of the Notes outstanding and (b) it shall have been indemnified to its satisfaction. No Holder shall be entitled to proceed directly against the Issuer or to take proceedings to enforce the Keep Well Agreement unless the Trustee, having become bound so to do, fails to do so within a reasonable period and such failure is continuing.

12. **Replacement of Certificates**

Should any Certificate be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

13. **Paying Agents**

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, **provided that:**

- (a) there will at all times be an Issue and Paying Agent and a Registrar;
- (b) so long as the Notes are listed, traded and/or quoted by or on any listing authority, stock exchange and/or quotation system, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant listing authority, stock exchange and/or quotation system; and
- (c) there will at all times be a Paying Agent in a Member State of the EU other than a Tax Jurisdiction.

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Holders in accordance with Condition 14 (*Notices*).

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and, in certain limited circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Holders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

14. **Notices**

- 14.1 ***Notices to Holders of Notes:*** Notices to Holders of Notes will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day.

- 14.2 **General:** The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any listing authority, stock exchange and/or quotation system on which the Notes are for the time being listed, traded and/or quoted.
- 14.3 **Publication not practicable:** If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.
- 14.4 **Notices from Holders:** Notices to be given by any Holder shall be in writing and given by lodging the same, together with the relative Certificate or Certificates, with the Issue and Paying Agent, and in the case of Condition 7.4 (*Redemption at the option of the Holders (Investor Put)*), the relevant Paying Agent.

15. **Meetings of Holders, modification, waiver and substitution**

The Trust Deed contains provisions for convening meetings of the Holders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee or by Holders holding not less than ten per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution (as defined in the Trust Deed) is one or more persons holding or representing more than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Holders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or the Trust Deed (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution (as defined in the Trust Deed) passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting.

The Trustee may agree, without the consent of the Holders, to:

- (a) any modification of the Notes or the Trust Deed that is not, in the opinion of the Trustee, materially prejudicial to the interests of the Holders; or
- (b) any modification of the Notes or the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.

The Trustee may also, without any consent as aforesaid, determine that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such which, in any such case, is not in the opinion of the Trustee, materially prejudicial to the interests of the Holders.

Any such modification, waiver, authorisation or determination shall be binding on the Holders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Holders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the Holders as a class but shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Holder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided for in Condition 8

(*Taxation*) and/or any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

The Trustee may, without the consent of the Holders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition) as the principal debtor under the Notes and the Trust Deed of another company, being a Subsidiary of the Issuer, subject to (a) the Notes being unconditionally and irrevocably guaranteed by the Issuer or having the benefit of a Keep Well Agreement by EDP on the same basis as that on which they had such benefit immediately prior to the substitution or the substitute Issuer being EDP, (b) the Trustee being satisfied that the interests of the Holders will not be materially prejudiced by the substitution and (c) certain other conditions set out in the Trust Deed being complied with.

16. **Further issues**

The Issuer shall be at liberty from time to time without the consent of the Holders to create and issue further Notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single series with the outstanding Notes. The Trust Deed contains provisions for convening a single meeting of the Holders and the holders of instruments of other series in certain circumstances where the Trustee so decides.

17. **Indemnification of Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from any obligation to take proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee may enter into business transactions with the Issuer or any person or corporate body associated with the Issuer without accounting for any profit made or benefit received.

18. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999.

19. **Governing law and submission to jurisdiction**

19.1 **Governing law:** The Trust Deed, the Agency Agreement, the Keep Well Agreement, the Notes and any non-contractual obligations arising out of or in connection with the Trust Deed, the Agency Agreement and the Notes are governed by, and shall be construed in accordance with, English law.

19.2 **Submission to jurisdiction:** Each of the Issuer and EDP has in the Trust Deed irrevocably and unconditionally agreed, for the exclusive benefit of the Trustee and the Holders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed and the Notes (including any dispute relating to any non-contractual obligations arising out of or in connection with the Trust Deed and the Notes) and that accordingly any suit, action or proceedings (together referred to as "**Proceedings**") arising out of or in connection with the Trust Deed and the Notes (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Trust Deed and the Notes) may be brought in such courts.

Each of the Issuer and EDP has in the Trust Deed irrevocably and unconditionally waived any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition 19.2 shall limit any right to take Proceedings against the Issuer or EDP in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

- 19.1 ***Appointment of Process Agent:*** Each of the Issuer and EDP has in the Trust Deed appointed The Law Debenture Corporate Services Limited at its registered office for the time being (being as at 4 October 2022 at 8th Floor, 100 Bishopsgate, London, EC2N 4AG, United Kingdom) as its agent for service of process, and undertaken that, in the event of The Law Debenture Corporate Services Limited ceasing so to act, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.
- 19.2 ***Other documents:*** Each of the Issuer and EDP has in the Agency Agreement submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.
